Mothering Sunday in the UK is the equivalent of Mothers' Day in other countries.

What happens on Mothering Sunday in the UK?

Mothering Sunday is a time when children pay respect to their Mothers. Children often give their Mothers a gift and a card.

What is the history of Mothering Sunday ?

Young British maids and servants could visit their family only once a year. This was usually Mothering Sunday. The housekeeper or cook allowed the maids to bake a cake to take home for their mother.. Flowers were traditional, as the young girls and boys could gather them on their way home .

Mothering Sunday is also sometimes known as Simnel Sunday because of the tradition of baking Simnel cakes. The Simnel cake is a fruit cake decorated with 11 marzipan balls on top

Hail Mary

Hail Mary, full of grace, the Lord is with thee!
Blessed art thou among women,
And blessed is the fruit of thy womb, Jesus,
Holy Mary, Mother of God, pray for us sinners,
Now and at the hour of our death.
Amen.

A Mother's Prayer (Celine Dion)

I pray you'll be my eyes
And watch her where she goes
And help her to be wise
Help me to let go
 Every mother's prayer
 Every child knows
 Lead her to a place
 Guide her with your grace
 To a place where she'll be safe
I pray she finds your light
And holds it in her heart
As darkness falls each night
Remind her where you are
 Every mother's prayer
 Every child knows
 Need to find a place
 Guide her with your grace
 Give her faith so she'll be safe
Lead her to a place
Guide her with your grace
To a place where she'll be safe

Oh, Mother's Day is here,
Let's all give a cheer.
For the mother's we all love,
More and more each year!
 The sun is so bright today because it's mother's day
 The sky is so blue today because it's mother's day
 And we are now so gay because it's mother's day

I wish I could tell you

"I wish I could tell you, mom

how much you mean to me.....
but there are no words to say
how much I admire you
how much I appreciate you..
how much I thank you
for everything you've done."

Thank You, Mother

"When I was a little baby,
You rocked me through the night.
When I got scared from a nightmare,
You took away my fright.
 You chase away my fears.
 You dry up all my tears.
 You are always there.
 You always care.
 You taught me how to smile.
 Thank you, Thank you Mother
 Thank you most of all for loving me.

Mommy, Mommy, I Love You: (Tune – "Twinkle, Twinkle")

Mommy, mommy, I love you.
Yes, I do, yes, I do.
You are sweet and oh so fine,
I'm so glad that you are mine.
Mommy, mommy, I love you.
Yes, I, yes, I, yes I do!

Mother's hands ... They can do everything: wash, clean, cook, look after their children, treat, teach and do many other things.
We can remember mother's hands since early childhood. We felt how warm our mother's hands were even before we learnt to walk and when we were stillm trying to say our first words. These hands took care of us day and night.

Game 1 (2 teams complete sentences): Make a list of some things your mother does for you

My mom always...
My mum helps me...
My mom does the....
My mom goes to...
My mum takes me...
My mum gives me...
My mum...

Where would we be without Moms?
"Where would we be without Moms?

Where would we be without those ladies?
Helping us all year long
And the love you give is just amazing.

Growing up
Getting up
Feeling good each day
Is easy to do.

Helping hands
Understand
Showing us the way
We tip our hats to you.

Oh, oh, Moms, Moms, where would we be?
Oh Moms, there's no debate,
Mom, Moms, where would we be?
Oh Moms, we think you're great."

Game 2 "Write your resolutions" on the beams of the sun

Dear Mummy,
You do so many things to help me
On Mother's Day I'll use my helping hands to help you.
I will.....

Help your mother lay the table
With a knife and fork and spoon.
Help your mother lay the table every afternoon!
Help your mother clear the table
Take the knife and fork and spoon.
Help your mother clear the table every afternoon!

Only One Mother

All through the year
I'll try to do
The things that show
My love for you.
And not be happy just to say,
"I love you, Mother," on Mother's Day.

Game 3 "Match the photos". Ask your guests to bring with them a baby photos of their children and a baby photo of the mother. This game is funnier if you have many families at your party. Mix all the photos on the table and first ask the mothers the match the baby photos with the kids names. Write the kids names on papers if you want to make the game easier. For each correct pairing give to mom one point. Now the kids have to find out which is their mothers baby photo and to place it next to their baby photo. If the kid pairs the photos correctly give him one

point too. At the end of the game calculate the points. Prepare interesting small gifts for the winner.

Mother's Day Song (Tune - "Are You Sleeping")

We love mothers, we love mothers
Yes, we do; yes, we do.
Mothers are for hugging
Mothers are for kissing
We love you; yes, we do.

Only One Mother

Hundreds of stars in the pretty sky,
Hundreds of shells on the shore together,
Hundreds of birds that go singing by,
Hundreds of lambs in the sunny weather.
 Hundreds of dewdrops to greet the dawn,
 Hundreds of bees in the purple clover,
 Hundreds of butterflies on the lawn,
 But only one mother the wide world over.

Mommy you are sweet
Mommy you are nice
Don't ever leave me
Cause you make the best rice!!!

Mother's Day

Mum your're the best,
And I owe you the rest,
I make some mess,
And you make it less,
 Mum I love you,
 And so do you,
 So I'll make you happy,
 And you'll feel merry.
"Happy Mother's Day" means more
Than have a happy day.
Within those words lie lots of things
We never get to say.
 It means I love you first of all,
 Then thanks for all you do.
 It means you mean a lot to me,
 And that I honor you.
But most of all, I guess it means
That I am thinking of
Your happiness on this, your day,
With pleasure and with love.

A mother who never grows old;

In her eyes He placed bright shining stars,

In her cheeks fair roses you see;

God made a wonderful mother,

And He gave that dear mother to me. “

My Mother's Face

As full of beauty as of grace,

Chinese Proverb

Let's go out and pick some flowers

"Let's go out and pick some flowers

And make a big bouquet;

We must bring a special gift

To Mom on Mother's Day!

Here's a rose, and there's a daisy

For our Mom's bouquet,

Pretty flowers to show we love her

More and more each day!"

Each bright flower is here to say:

Happy Mother's Day!

Make a basket for your mother,

And fill it with flowers gay,

Then put a card just to say

Happy Mother's Day!

Take an angel from the sky

And send her down this way.

Then send some little boys and girls

To keep her company.

Then fill her heart

With Mother love,

Give her a smile of cheer.

And you'll have a kind of Mother

Just like my Mother, dear.

I PICKED SOME FLOWERS (Tune: "Mary Had A Little Lamb")

I picked some flowers, just for you,

Just for you, just for you.
I picked some flowers, just for you,
To make a big bouquet.
 The flowers say, that I love you,
 I love you, I love you.
 The flowers say, that I love you,
 Happy Mother's Day!

Dear Mom

You always made the very most of all
the times we shared-
you worked, you gave, you understood,
and, most of all, you cared...
and of all the happy memories
so special to recall,
the ones you filled with warmth and love
still mean the most of all.

For a fathers work may be from sun up till sundown,
but a mothers work is never down.
And all that I have, am, and hope to be, I owe to you,
So this is for all the times I forgot to say THANK YOU!!
 I want to thank you
 tell you that i love you too
 and want to be just like you
 like the great mother you are
 always my shining star.

Children appeare on the stage with letters.

M-O-T-H-E-R

"M" is for the million things she gave me,
"O" means only that she's growing old,
"T" is for the tears she shed to save me,
"H" is for her heart of purest gold;
"E" is for her eyes, with love-light shining,
"R" means right, and right she'll always be,
Put them all together, they spell "MOTHER,"
A word that means the world to me.

Long live our beloved and kind Mothers!
Glory and honour to our Mothers!
